

ENLIST E3[®] SOYBEANS FROM

DISTRIBUTED BY PETERSON FARMS SEED

THE POWER OF PROVEN PERFORMANCE.

2022 SOYBEAN PRODUCT GUIDE

With P3[®] Genetics soybeans, you get the hard-working products your farm needs backed by the Peterson Farms Seed promise you know and trust:

“WE WILL SELL NO SEED WE WOULDN'T BE HAPPY TO PLANT ON OUR OWN FARM.”

2201E ENLIST E3

NEW

RELATIVE
MATURITY

0.1

- Carries great height for an early variety.
- Strong PMG package with stacked genes and great tolerance.
- Longer branches can add extra bushels.
- 2002E-type IDC scores.

2002E ENLIST E3

RELATIVE
MATURITY

0.2

- Great emergence!
- Versatile bean that works on any soil type.
- Outstanding performance at our northern research locations.

2003E ENLIST E3

RELATIVE
MATURITY

0.3

- Full SCN variety.
- Works well in and outside of the Red River Valley.
- Watch the placement on salty ground with this bean.

2005E ENLIST E3

RELATIVE
MATURITY

0.5

- A complete, well-rounded soybean.
- SCN, Rps3a, IDC, Brown Stem Rot and YIELD!
- This bean can yield toe-to-toe with later-maturing varieties.

2106E ENLIST E3

RELATIVE
MATURITY

0.6

- Very clean and uniform looking plants.
- Feel free to move this bean south. It will maintain yield!
- Strong disease package with branching plant structure.

2207E ENLIST E3

NEW

RELATIVE
MATURITY

0.7

- Too much yield to keep out of our lineup.
- Works well west of the valley.
- Strong SCN and lodging resistance.

2108E ENLIST E3

RELATIVE
MATURITY

0.8

- Outstanding disease package makes this variety widely adaptable.
- Stacked PMG genes, big yields, great IDC. What's not to like?
- This bean was Dennis' favorite in the 2020 plots.

2109E ENLIST E3

RELATIVE
MATURITY

0.9

- Best placed on your productive acres.
- This bean loves central Minnesota!
- Shows tremendous standability.
- Works well in fields with variable soil types.

2110E ENLIST E3

RELATIVE
MATURITY

1.0

- Has all the agronomic tools you want in a soybean.
- Pair with 1911E for a great one-two punch.
- Strong emergence coupled with consistent yields for your marginal soil types.

1911E ENLIST E3

RELATIVE
MATURITY

1.1

- A cornerstone in our lineup for 3 years for good reason.
- Above average SCN & Brown Stem Rot resistance.
- Proved itself with another strong year of yields in 2020.
- Good IDC tolerance.

NEW

2212E ENLIST E3

RELATIVE
MATURITY

1.2

- Complete package with SCN, Rps1c and solid IDC tolerance.
- Excellent SDS tolerance.
- Taller plant type with great standability.

2013E ENLIST E3

RELATIVE
MATURITY

1.3

- A true overachiever that can do it all.
- Nice, bushy plant structure.
- Good Phytophthora field tolerance AND high-end yield.

NEW

2214E ENLIST E3

RELATIVE
MATURITY

1.4

- Good SDS tolerance.
- Resistance to both SCN and BSR.
- Taller plant type, great standability and a high yield ceiling.

2015E ENLIST E3

RELATIVE
MATURITY

1.5

- Good disease package, plus taller height for those tough acres.
- Features Brown Stem Rot resistance.
- Has excellent IDC tolerance and will show recovery through early-season yellowing.

NEW

2216E ENLIST E3

RELATIVE
MATURITY

1.6

- Outstanding disease package and big yields.
- Performs well in zone but can also move south.
- Game changing yield performance in our 2020 trials.
- Excellent companion to 2015E.

NEW

2218E ENLIST E3

RELATIVE
MATURITY

1.8

- A true fighter. It will perform well in low and high yield environments.
- Set aside your largest bins - you're gonna need the space!
- A full package with SCN, Rps3a, IDC and excellent SDS tolerance.

2119E ENLIST E3

RELATIVE
MATURITY

1.9

- Stable in any environment.
- Yields with the later maturing varieties in our lineup.
- Not the prettiest line of the bunch, but has a large yield spike when it matters most.

2220E ENLIST E3

NEW

RELATIVE MATURITY

2.0

- Widely adapted variety.
- Pronounced branching adds to yield.
- Very good SDS tolerance and resistance to BSR.

2222E ENLIST E3

NEW

RELATIVE MATURITY

2.2

- Attractive medium-tall plant.
- Excellent all around disease package.
- Consistent yields across all acres.

Product Use Statement: Enlist E3® soybeans contain the Enlist E3 trait that provides crop safety for use of labeled over-the-top applications of glyphosate, glufosinate and 2,4-D herbicides featuring Colex-D® technology when applied according to label directions. Following burndown, the only 2,4-D containing herbicide products that may be used with Enlist™ crops are products that feature Colex-D technology and are expressly labeled for use on Enlist crops. 2,4-D products that do not contain Colex-D technology are not authorized for use in conjunction with Enlist E3 soybeans.

Warning: Enlist E3 soybeans are tolerant of over-the-top applications of glyphosate, glufosinate, and 2,4-D. Accidental application of incompatible herbicides to this variety could result in total crop loss. When using 2,4-D herbicides, grower agrees to only use 2,4-D products that contain Colex-D technology authorized for use in conjunction with Enlist E3 soybeans. Always read and follow herbicide label directions prior to use.

YOU MUST SIGN A TECHNOLOGY AGREEMENT, READ THE PRODUCT USE GUIDE PRIOR TO PLANTING AND FOLLOW HERBICIDE RESISTANCE MANAGEMENT (HRM) REQUIREMENTS.

The transgenic event in the Enlist E3® soybean is protected under Corteva Agriscience and M.S. Technologies, L.L.C. Patent Rights which can be found at: www.corteva.us/Resources/trait-stewardship.html.

The transgenic event in the Enlist E3® soybean event in Enlist E3® soybeans is jointly developed and owned by Dow AgroSciences LLC and M.S. Technologies, L.L.C. ®™ Enlist, Enlist E3, the Enlist E3 log and Colex-D are trademarks of Dow AgroSciences LLC.

P3 IS A REGISTERED TRADEMARK OF M.S. TECHNOLOGIES, L.L.C., WEST POINT, IA.

SEED USE RESTRICTION AGREEMENT

This Seed Use Restriction Agreement (the "Agreement") applies to all users ("User(s)") of the seed ("Seed") contained in this package. If you purchase the Seed, you agree that you and any person or entity, including employees, representatives, contractors and agents thereof, who plant, grow, cultivate or otherwise use the Seed, will abide by these use restrictions. If you open or cause any person or entity to open a package of Seed, you agree that you accept the terms of this Agreement, and you, your employees, representatives, contractors and agents will abide by these use restrictions.

SEED USE AGREEMENT

M.S. Technologies, L.L.C. ("MS TECH") and its suppliers are engaged in the business of developing and supplying for sale various varieties and/or hybrids of Seed. MS TECH and its suppliers have a substantial investment and expended substantial effort in the development and production of this seed, and in the use of subsequent production of Seed. MS TECH and its suppliers have existing contractual relationships with other distributors for the sale of seed and expectations of additional contracts for sale of seed from such distributors in the future. The purchase of the Seed includes a limited license to produce a single crop under MS TECH property rights, including where applicable certain U.S. patents which can be found on the package and seed tags.

In consideration of the foregoing, and in consideration of the Seed that User has been sold or otherwise granted the right to use, User hereby acknowledges and agrees that the production from the Seed will be used only for feed or processing, and unless USER has an agreement for such purposes, Seed and plants produced from Seed will not be used or sold for seed, breeding, or any variety or hybrid development or improvement purposes; these restrictions apply to all plants produced from Seed, including without limitation variant and inbred plants and Seed that may be contained in this package or grow from Seed. User acknowledges MS TECH and its suppliers have a proprietary interest in the use of subsequent production from the Seed, and agrees it would be a violation of this Agreement to allow the subsequent production of the Seed to be used to create any seed variety or seed product from said production. Any export of this Seed or its progeny from the country of purchase is strictly prohibited, except that forage or grain may be exported solely for use in feeding or processing.

User agrees and acknowledges that any use of the Seed, which is forbidden by this Agreement will constitute a misappropriation of the property of MS TECH and its suppliers and will therefore result in a breach of this Agreement. User agrees that MS TECH and/or its suppliers may bring an action to recover damages as a result of the breach of this Agreement, along with reasonable attorney fees and costs associated with any action commenced in regard thereto. User further agrees that the exclusive venue for any dispute arising under this Agreement or in connection to any breach thereof shall be in the federal or state courts for Dallas County, Iowa, and hereby irrevocably consents to the personal jurisdiction of such courts. This Agreement shall be governed under the laws of the State of Iowa.

User agrees and acknowledges that any use of the Seed, which is forbidden by this Agreement, will damage MS TECH and its suppliers' legitimate expectation of future sales of seed, and any use of Seed in violation of this Agreement will constitute an attempt to intentionally injure or destroy MS TECH and its suppliers' prospective business expectations in future sales of seed.

User agrees and acknowledges that any use of Seed from MS TECH in violation of this Agreement will cause substantial damage to MS TECH and/or its suppliers, and that if subsequent production of the Seed is used to create a seed variety or seed product, substantial damage to MS TECH and/or its suppliers for all seed varieties or seed products thereby created will be caused. This Agreement shall not limit any other rights, legal or equitable, that MS TECH and its suppliers have but shall be accumulative.

User agrees to only use agricultural herbicide that are expressly labeled for use in conjunction with the Seed and have received government approvals as specified in a product use guide.

NOTICE OF REQUIRED ARBITRATION

Under the seed laws of several states arbitration, mediation or conciliation is required as a prerequisite to maintaining a legal action based upon the failure of seed to produce as represented. The consumer shall file a complaint along with the required filing fee (where applicable) with the Commissioner/Director/Secretary of Agriculture, Seed Commissioner, or Chief Agricultural Officer within such time as to permit inspection of the crops, plants or trees by the designated agency and the seller from whom the seed was purchased. A copy of the complaint shall be sent to the seller by certified or registered mail or as otherwise provided by state statute.

OTHER TERMS & CONDITIONS

For sale in the U.S. only. MS TECH assumes no responsibility for MS TECH's supplier's, distributor's or dealer's verbal and/or written claims, promises, warranties or actions which are contrary to MS TECH's normal operating policies. USER must notify MS TECH within fourteen (14) days of becoming aware of alleged issues regarding the quality or performance of the Seed.

LIMITATION OF WARRANTIES & DAMAGES

MS TECH warrants, to the extent of the purchase price and to the extent that the packaging and label have not been compromised, that the Seed is as described on the package and on the tag attached thereto within recognized tolerances. MS TECH gives no other WARRANTY, expressed or implied, of MERCHANTABILITY or FITNESS of the Seed for any particular purpose, nor any warranty against loss due to any cause, including environmental conditions, soil conditions, chemicals or farming practices, or the response of the Seed to any such conditions. MS TECH shall not be liable for incidental or consequential damages, including loss of profits. MS TECH'S LIABILITY for damages for any cause, including breach of contract, breach of warranty, and negligence, with respect to the sale of seed is LIMITED to the purchase price of the Seed. THIS REMEDY IS EXCLUSIVE. BY ACCEPTANCE OF THIS SEED OR OPENING THIS PACKAGE, USER ACCEPTS THE TERMS HEREIN. IF USER DOES NOT AGREE WITH THESE TERMS AND CONDITIONS, USER MUST RETURN THE ORIGINAL UNOPENED SEED PACKAGE TO MS TECH WITHIN TWENTY DAYS OF RECEIPT AND USER'S SOLE REMEDY SHALL BE FOR REFUND OF THE USER'S ORIGINAL PURCHASE PRICE. MS TECH may modify and amend the terms and conditions of this Agreement without notice and in its sole discretion.

MS TECH has utilized standard industry isolation and purity procedures in the production of seed products. Because of contamination factors beyond MS TECH's control, MS TECH cannot warrant or represent that MS TECH seed products are free of other transgenic corn traits or transgenic soybean traits. Words and phrases herein shall be construed as in the singular or plural number, according to the context.
